Subject: SDG-Con 2026: Data and Advocacy for Sustainable Solutions

Greetings in the Holy Triune God!

In line with promoting awareness, engagement, and action toward sustainable development, we are pleased to announce the upcoming **SDG-Con 2026: Data and Advocacy for Sustainable Solutions**, which will be held on **April 22, 2026 (1:00 PM – 5:00 PM)** at the **Gansewinkel Hall, Downtown Campus**.

This activity brings together students, advocates, and experts to discuss relevant environmental issues and highlight the role of data, innovation, and collective action in advancing sustainability. It also serves as a platform for meaningful exchange of ideas and encourages active participation in initiatives that promote a more responsible and sustainable community.

In this regard, each organization may send **up to three (3) representatives** to attend and engage in the discussions. Your participation will provide valuable insights and contribute to a collaborative learning environment among student leaders and members.

May this inspire us to advance the Sustainable Development Goals and work toward a more sustainable future.

Kindly register to the link provided: [REGISTRATION LINK!](#)

Thank you, and we look forward to your participation.

KATHLEEN JOYCE C. CONVICTO

Student Activities Officer
